

**Business Buzz:** United Communications, Deluxe Chamber Member

**Business Name:** United Communications

**Business Owner:** William Bradford. President and CEO

**Established:** United Telephone Established in 1947, United Communications d/b/a 2011

**Description:** Internet, Television, and Phone service provider

The first Fiber Internet provider in Middle Tennessee, with speeds up to 1 GIG available

**Philosophy:**

United Communications has been around for nearly 70 years and we are proud of our history serving residents of Marshall County. As technology continues to evolve and change dramatically, we are focused on the future. We have invested nearly \$90 million dollars in building a state of the art fiber network in Middle Tennessee in order to better serve our customers. At United Communications our mission is simple, we aim to offer unparalleled value to our customers by providing the fastest, most reliable, internet and WIFI service and feature-rich digital entertainment, all while obsessing over customer service. If you haven't seen or experienced the changes we are making, we urge you to check out [www.united.net](http://www.united.net) to learn more.
